REGENTS’ AWARDS – COMPREHENSIVE ANALYSIS 2013-19

OFFICE OF THE
Senior Vice President & Provost
About Regents’ Awards

• Established by the OU Board of Regents in 1978
• Awards are given in three areas:
  – Superior Teaching
  – Superior Research and Creative Activity
  – Superior Professional and University Service and Public Outreach
• Policy says as many as 9 faculty members can receive these awards each year, “with the understanding the majority of the awards will be given for Superior Teaching.” (BOR Policy 2.5.3)
• Perquisites were established at $1,000, raised to $2,000 in 1986, and then to $10,000 in 2011.
• Faculty from all campuses are eligible.
• They are evaluated by the University Council on Faculty Awards and Honors, whose membership consists of faculty from multiple campuses, one alumni member appointed by the President and one student by SGA.
Since 2012-13, 117 nominations have been submitted for Regents’ Awards from the Norman Campus. The breakout of all nominations received for awards evaluated by the Univ Council for Faculty Awards and Honors is below.
