On Tuesday, September 18, the Faculty Senate Executive Committee (FSEC) approved and forwarded the nominations from the Faculty Senate on to Human Resources (HR), the Provost, and the President for the following executive search committees: Karen Hennes and Firat Demir (CFO), Beth Stetson and Kevan Jensen (Auditor), Meta Carstarphen and Glenn Leshner (Marketing), Loretta Bass and Roxanne Mountford (HR), and Lawrence Weider and Tamera McCuen (Operations). The Faculty Senate also sent out an email to all Senators requesting nominations for faculty to serve on other forthcoming search committees.

On Wednesday, September 19, Marcy Fleming of Human Resources informed the FSEC that the President selected the following faculty to serve on the executive search committees: Karen Hennes (CFO), Beth Stetson and Kevan Jensen (Auditor), Meta Carstarphen and Glenn Leshner (Marketing), Loretta Bass (HR), and Tamera McCuen (Operations). Provost Harper requested a meeting with the FSEC to discuss a potential ad hoc faculty committee to provide input and recommendations the provost and president regarding potential changes to academic programs and budgets. We agreed on a general structure, size, and charge of the committee.

On Thursday, September 20, I attended the Staff Senate Forum where President Galogly discussed the role of staff across campus and acknowledged the uncertainty associated with pending cuts. Interim Associate VP for Community Jane Irungu also spoke and charged staff with helping to improve campus climate. I also spoke with interim VP for Human Resources Marcy Fleming about upcoming executive searches. I learned that HR was in the process of appointing faculty to the Governmental Affairs and Chief Information Officer searches. I urged her to request Faculty Senate recommendations for all faculty slots in executive level searches. She responded and requested faculty nominations for the Government Affairs search committee as soon as possible and agreed that the Chief Information Officer search committee nominations could wait until the October 8 Faculty Senate meeting.

On Friday, September 21, the FSEC sent President Galogly a draft committee structure for a short-term, ad hoc committee, which would provide a broad faculty perspective and seek information from university stakeholders to aid in evaluating and prioritizing proposed changes to academic programs and budgets. The president requested that we all discuss the proposal with the Provost and interim CFO at our next meeting.

On Monday, September 24, the LARGE Faculty Senate Executive Committee (the FSEC + University Council chairs + FS Committee chairs) met to discuss committee and council plans for the upcoming year. We discussed efforts to improve the quality and diversity of nominations for campus-wide awards, efforts to re-invigorate shared governance practices across campus, and changes in campus leadership. Following the Large FSEC meeting, the smaller FSEC discussed and approved the slate of faculty nominees for the Governmental Affairs Search Committee: Amanda Cobb-Greetham (NAS) and Aimee Franklin, Alysa Fryar, Keith Gaddie, or Charles Kinney (all from Political Science). We also discussed the proposed ad hoc committee to evaluate potential academic program and budget changes, and other topics for our meeting with President Gallogly.
On Tuesday, September 25, I attended the Faculty Recruitment and Retention Training led by Vice Provost Jill Irvine.

On Wednesday, September 26, Dr. Lupe Davidson, Chair of the Faculty Diversity, Equity, and Inclusion Committee (FDEIC), and I met with representatives from HR, the Provost’s office, and the office of Community to discuss plans for re-initiating the Diversity Ally Training program for faculty and expanding the trainings to also include staff.

Later in the day, the FSEC met with President Gallogly, Provost Harper, Interim CFO Ken Rowe, and OU General Counsel Anil Gollahalli to discuss the draft ad hoc committee structure that we sent to President Gallogly on September 21. We generally agreed on the committee structure (9-12 faculty) and duration. We further clarified the committee’s scope and charge through our discussion. Provost Harper agreed to work with General Counsel to clarify the language and present a revised proposal to the FSEC for discussion. In the latter portion of the meeting, the FSEC discussed mechanisms for evaluating and remedying faculty salary inversion and compression issues within departments. President Gallogly said he plans to bring in a temporary staff member with experience in salary comparisons and raise structures to help develop metrics and plans.

On Friday, September 28, I presented the data that the FSEC and PACWI have collected over the last four years regarding the diversity of faculty award recipients and nominations and discussed potential remedies with Vice Provost Jill Irvine and the rest of the Women’s and Gender Studies (WGS) faculty.

Prior to our monthly meeting, Provost Harper provided a revised committee plan based on our joint discussions with President Gallogly and the General Counsel. We also discussed climate on campus, the HERI survey, and faculty perceptions of recent EEO, Title IX, and Code of Conduct-related issues.

On Monday, October 1, the FSEC met for our standard monthly meeting and began by discussing the Associate VP for Community job ad. Dr. Davidson shared the FDEI Committee report summarizing their comments regarding the job ad. The FSEC discussed the general comments collected from the faculty and the committee’s report and identified three areas of primary concern that we discussed with Marcy Fleming, Interim VP for HR: 1) that it is inappropriate for an AVP who reports to a Provost to have responsibility for leading efforts across all three campuses, 2) that the job ad focuses primarily on the responsibilities of the multi-person office rather than the responsibilities of the leader of the office, and 3) the job ad lumps faculty with students and staff and does not clearly identify how this office will work with faculty in efforts to reshape campus culture. We also discussed whether the person hired should have tenure. We recommended that the administration consider other university models for this position and examine other recent job ads for similar positions to ensure we are following best practices to yield high quality job applicants in a national search. Lee Camargo-Quinn from HR Benefits also talked about the upcoming benefits fairs available for staff and faculty. We also discussed the recently advertised 6-sigma training program and its relationship to HR.

Following our discussion with HR, we met with Provost Harper and discussed further revisions for the proposed ad hoc committee to evaluate potential changes to academic programs and budgets. He
agreed to take our suggestions back to General Counsel in hopes of gaining President Gallogly’s approval before our October 8 Faculty Senate meeting.

The FSEC also finalized our slates of faculty nominees to serve on the remaining executive search committees, and committee chairs submitted their committee reports via email. The Faculty Compensation Committee (FCC) discussed and approved the potential change in the bylaws to move fringe benefits from the Faculty Welfare Committee (FWC) to the FCC. They also discussed issues of compression and inversion including requesting salary survey data from Susannah Livingood of Institutional Research & Reporting (IRR). IRR will provide the same data that the administration is currently using to investigate salary issues. IRR will also provide the U.S. academic salary survey. The FCC plans to meet with the HR specialist that President Gallogly has brought in to study the current salary situation within the next few weeks. The FWC also discussed and approved the potential change in the bylaws to move fringe benefits from the FWC to the FCC. In addition, they discussed campus culture, potential issues to clarify in the Faculty Handbook, and other ongoing old-business from last year (identity theft, promotion and tenure guidelines, and running for partisan office). The FDEIC met to discuss their plans for the semester, including the Associate VP for Community search, re-initiating the Diversity Ally program, campus climate (meeting in the works to discuss the HERI survey results with Vice Provost Jill Irvine), and drafting a letter to the Provost regarding recent Title IX, EEO, and Code of Conduct issues. The Committee on Committees will meet on October 4 to fill vacant committee slots for this year.

On Wednesday, October 3, I attended the Deans’ Council where the head of Export Controls discussed new federal executive orders and legislation regarding export controls and insider threats to intellectual property. Graduate College Dean Randy Hewes also presented data showing a multi-year decline in graduate applications and enrollments across campus. He attributed these declines to several factors including a strengthening national and regional economy, declining international applicants due to changing immigration rules and perceptions, and our relatively high graduate fees compared to graduate stipends. Several different recommendations were discussed including accelerating the rate at which we are decreasing fees and increasing stipends, improving the climate for graduate education on campus through mentoring, student support, and other mechanisms, reversing losses of faculty, and focusing on marketing our graduate programs at both the department and university level. Provost Harper also announced that President Gallogly had approved the ad hoc faculty committee to provide a broad faculty perspective and recommendations to the President as he evaluates and prioritizes potential changes to academic programs and budgets.

President’s Academic Program and Budget Advisory Committee

The basis:

President Gallogly and the Faculty Senate Executive Committee (FSEC) agree to the creation of an Administrative Advisory Committee as described by Faculty Handbook Section 2.7.5:

(A) Administrative Advisory Committees Officers of the University are authorized to establish special advisory committees for subjects not covered by the council or standing committee structure, so long as they do not duplicate the work of the councils and standing committees. These committees are composed of members selected in a way determined by the establishing official. The number and purposes of these committees are reviewed regularly by the President and the Faculty Senate.

The charge:

The purpose of the committee is to assess academic budget revisions in the context of the University’s ongoing comprehensive budget review. The committee’s purview will extend to include:

- Major budget revisions ($100,000 and above) or major programmatic reorganizations
- Within Academic Affairs
- Pertaining to the core academic mission, i.e. excluding functions like IT, Public Affairs, Finance, HR, Building Services, Landscaping, etc. Existing Councils may be consulted on certain of these matters as already contemplated in their charters.

The committee is to evaluate proposed budget revisions and to assess their potential impact to the academic mission by consulting a broad range of stakeholders. The committee will make recommendations to the President and keep the Faculty Senate informed about the process and outcomes. The committee will move expeditiously but thoughtfully and deliberatively to make its evaluations.

The structure:

Within the framework of FH 2.7.5, the committee will be co-chaired by the Provost and a faculty member chosen by FSEC. The committee will consist of 10 additional faculty members, five appointed by the FSEC and five by the President. The committee in total will have at least one faculty member from each of 6 areas of scholarship on the Norman campus (Engineering, Fine Arts, Humanities, Natural Sciences, Professional Programs, and Social Sciences).

The committee will expire at the end of the 2018-19 academic year, and the President may extend its duration should the relevant work be ongoing at that time.

Given the heavy nature of this service burden, faculty agreeing to serve on the committee can be excused from additional service obligations during this academic year. Further, each member may choose a one-course reduction or a one-time supplemental payment of $2,000.
THE UNIVERSITY OF OKLAHOMA

CHARTER OF THE REGULAR FACULTY AND
THE FACULTY SENATE, Norman Campus

THE REGULAR FACULTY

COMPOSITION
The Regular Faculty of the University is composed of all faculty members with tenure track, tenured, and renewable term appointments at the rank of assistant professor, associate professor, and professor. The Regular Faculty does not include faculty members with temporary appointments.

POWERS
All legislative powers of the faculty of the University relative to the University as a whole are vested in the Regular Faculty. These legislative powers shall be exercised either directly by the Regular Faculty or by the Faculty Senate. The Faculty Senate shall remain responsible to the Regular Faculty for all action taken in its behalf.

OFFICERS
The officers of the Regular Faculty shall be the officers of the Faculty Senate: Chair, Chair-Elect, and Secretary. The three officers shall constitute the Executive Committee of the Regular Faculty and shall develop the agenda for meetings and otherwise fulfill the duties which may be described in the by-laws.

MEETINGS
The Regular Faculty shall meet at least once each semester (ordinarily on the third Thursday of October and the third Thursday of April) and at other times upon call by the Executive Committee. Such a call may originate from the President of the University or from a petition submitted to the Chair of the Regular Faculty by 30 faculty members representing two or more degree-recommending divisions. A minimum of 20 percent of the Regular Faculty on the Norman campus shall constitute a quorum.

THE FACULTY SENATE

COMPOSITION

Members of the Regular Faculty who are not members of a degree-recommending division of the University, or who are in a degree-recommending division with less than one percent of the total faculty, shall be treated as a separate division. The balance of the seats will be allocated among faculty members placed in this separate division according to a triennial apportionment proposed by the Faculty Senate and approved by the Regular Faculty. Degree-recommending divisions with no faculty members will be allowed to appoint a faculty member as an ex-officio member with all the rights and privileges of senate membership excluding the right to vote in official Faculty Senate actions.

Five students, including both graduate and undergraduate, chosen by the University of Oklahoma Student Association, shall serve as official student representatives to the Faculty Senate. Without voting privileges, these representatives will observe, participate in discussion, and maintain communication with the Student Association in regard to Senate actions. Six representatives of the Informational Staff Association of the University of Oklahoma and one representative of the Senior Vice President and Provost’s Office also may attend meetings and participate, without voting privileges, in Senate discussion.

ELECTION PROCEDURE
Before the end of March each year, the Secretary of the Faculty Senate shall notify the dean of each constituent faculty of the number of senators which that faculty shall elect for the ensuing year. Those senators shall then be elected in April or May. They shall assume their duties in September and ordinarily will serve three-year terms.

The Secretary of the Faculty Senate shall maintain the roster of Faculty Senate membership. At any time that a vacancy occurs, the Secretary shall notify the appropriate dean so that immediate steps may be taken to elect a replacement to serve the unexpired portion of the three-year term.

The Secretary of the Faculty Senate will continuously monitor absences. When in a given academic year a senator has accumulated four absences, that senator is to be dropped automatically from the membership of the Senate. The Secretary will notify the appropriate dean to take immediate steps to provide a replacement for the remainder of that senator’s term.

POWERS
The Faculty Senate shall exercise the legislative powers of the faculty of the University as delegated by the Regular Faculty. The Faculty Senate shall have the power to initiate any legislation requiring the Board of Regents’ approval in accordance with provisions of the University Constitution.

The Faculty Senate shall determine its own time of meeting, its own rules of procedures, promulgate rules and regulations governing its internal affairs, and establish standing and
special committees. The Faculty Senate shall establish and publish its own set of operational procedures or by-laws.

The Faculty Senate shall elect a Chair, a Chair-Elect, a Secretary, and such other officers as it shall by its operational procedures provide. Each standing committee of the Faculty Senate is authorized to select non-Senate members of the Regular Faculty. Students may be asked to serve and, in such cases, will be appointed by the University of Oklahoma Student Association.

The Faculty Senate may establish procedures to review the various functions of the University and any matter affecting the welfare of the University. Subjects for either review or legislation may be brought to the attention of the Senate by written communication either from any member of the University community or from any officially constituted agency.

LIAISON WITH THE PRESIDENT

Faculty/student councils shall be utilized by the President of the University in the development of policies on matters of vital interest to the University. These areas include teaching, research and creative/scholar activity, and professional and University service and public outreach, libraries, budgetary planning, faculty personnel, University relations, University community, athletics, University operations, and University projects. In order to give the faculty a voice in determining the faculty membership of major councils, which shall be named by the Faculty Senate resolution, the Faculty Senate shall each year provide a list of nominees from which the President will make his or her appointments for the ensuing year.

LIAISON WITH FACULTY SENATE, HEALTH SCIENCES CENTER
The Faculty Senate (Norman) shall maintain a liaison with the Faculty Senate (Health Sciences Center) through an Inter-Senate Liaison Committee composed of the Chairs, Chairs-Elect, and the Secretaries of the two Senates.

The four elected members may not succeed themselves. The at-large members shall be elected by ballot at a meeting of the Senate in May. The ballot shall consist of at least two candidates for each office. Additional nominations may be made from the floor. (b) Committee on Committees. The Senate shall elect a Committee on Committees consisting of five members elected for staggered terms in such a manner that not more than two members will be elected in any one year. They must have been members of the faculty for at least five years and hold tenure.

The Committee on Committees will strive to maintain an open and objective perspective related to filling vacant positions on the various University and campus councils and committees.

Members of the Committee on Committees should consider a balanced and broad representation for the entire university and should seek input from chairs of departments, directors, and others who have a wide knowledge and acquaintance of faculty personnel. Final nominations, however, will be made by the Committee on Committees and the Senate.

Current members of the Committee on Committees should not be nominated for vacant positions on the various University and campus councils and committees.
